

MEETING SUMMARY

Meeting: Phase 2 Sub-Area Planning Kick-off and Orientation
Date: January 15, 2019
Time: 6:00 – 8:00 pm
Location: Pre-K 4 SA East Education Center
Attendees: *Planning Team members from all six Phase 2 Sub-Area Plans*

Meeting Purpose

The Phase 2 Kick-off and Orientation Meeting aimed to accomplish these objectives: Provide Background on SA Tomorrow; Provide an Overview of the Sub-Area Planning Process; Discuss Planning Team Member Roles and Responsibilities; and Provide Planning Team Members Initial Resources to utilize during the planning process.

Meeting Format

The meeting opened with welcoming remarks by Bridgett White, Planning Department Director, and included a video welcome from Mayor Ron Nirenberg. Chris Ryerson, planning administrator, and along with consultants Jay Renkens and Andy Rutz of MIG, Inc., presented on the background of SA Tomorrow, an overview of the Sub-Area Plans intent and topics, a description of community engagement strategies, and the roles and responsibilities of the Planning Teams.

Following the introductory presentation, attendees broke out to Sub-Area Planning Team sessions to further discuss project-specific timelines and upcoming meetings. During the breakout sessions, teams were able to review reading material which included: Planning Team Members roles and responsibilities, basic information and talking points to share with their constituencies, and an informational flyer on each plan's project website, visioning questionnaire, and the first community meeting for their area.

Our group discussed getting a representative from Toyota on the planning team, the existing 3-mile radius agreement with Toyota, a brief on the San Antonio River Authority's (SARA) watershed analysis efforts, as well as finding a contact for the Mitchell Lake Audubon Center.

Next Steps for Texas A&M San Antonio Regional Center Plan

We discussed the upcoming Community Meeting to be held on the Texas A&M San Antonio Campus, inside the Vista Room on the 4th floor of the Central Academic Building on Wednesday, January 30th from 6:00-7:30 PM. Our next Planning Team meeting will be the week of February 18th, 2019. The general consensus was meeting dates work during the week days, with the exception of Thursdays and every 2nd Wednesday of the month. I will be following up with a survey to indicate specific time windows that would be most appropriate. In the meantime, please take some time to familiarize yourself with the SA Tomorrow Comprehensive Plan (www.sacompplan.com), The SA Tomorrow program (www.satomorrow.com). In addition, we welcome you to review the draft Existing Conditions Atlas prior to our next meeting, as that may help inform some of your ideas when discussing the challenges, opportunities, vision, and goals for our area.
